5 Questions for us to answer the Grailkeeper

- 750 Anniversary of Uncle Richard's death
- Torn Photo with Bayles' telephone number
- Invitation 1
- Invitation 2
- Invitation 3

The cottage table on p62 has 5 loose columns of 5 items each 25 items in total in a way a 5 x 5 grid which links metaphorically to *Grail Quest*. **The HYPOTHESIS is that each of the 5 columns of 5 items on the table could relate to a Grailkeeper question.** The items being out of order at present. The assumption must be that each item links particularly to one of the 5 questions in particular.

Sufi, p41, lies on or around the table suggesting that the kitchen table items too hold a "key" just as she found Simon the key to the safety deposit box by sitting near the hall painting. The author makes the point clearly that the cat hung around the table items suggesting that the p62 photograph seen with the correct perspective has important information for us.

Sufi = 55 = S-19 + U-21 + F-6 + I-9 55 another analogy to 5x5

In the list below I've tried to apportion each item in the 5 columns (A-E) to one of the 5 Grailkeeper questions – listed "1" – "5". For example the stamp and photo albums could be said to relate to Uncle Richard and his journeyings in general. IMO they are assigned to the 1st Question asking what his death was the anniversary of as they link to his life. To find the answer we've had to hit the web and do historical research of our own - though the answer is alluded to on p46 and the Janvrin's Tomb postcard does have 5 lines of 46 dots.

The map – the 5th item in the first column must relate to the second question about the Bayles Restaurant and thereby Richard's trips to France. (Arguably some of the albums could be made to fit here.)

• Column / Group "1"

- album A
- album A
- album A
- album A
- Map 235 B

• Column / Group – "2"

- Michelin Book 1983 B
- Michelin Book 1993 B
- Abbots ??D
- Prosser's Card E
- Eadem mutata resurgo C

• Column / Group – "3"

- Poussin E
- BVRLINGTON C
- Invite "1" C
- Invite "3" E
- Invite "2" D

• Column / Group – "4"

- Stone – Nautilus C
- Tomb – Bernoulli C
- Jotting ... 10:40 ??D
- Jotting ... 1.618304 -23-5 ??D
- Bayles photo B

• column / Group – "5" possibly all red herrings

- postcard : Grosmont, WALES ? C
- postcard : Janvrin's Tomb ??A
- postcard : Beaulieu, MALTA ? D
- NOSS DEGG ??E
- Beware Red Herrings ??B

Items rearranged with my best guess-timate to their appropriate column :

• Group – 1 – Uncle Richard's death

- album A
- album A

- album A
- postcard : Janvrin's Tomb A

- **Group – 2 – burnt photo**
