Did anyone see a film called Revelation It was on uk TV a couple of weeks ago. My husband recorded it and we watched it a couple of nights ago. It was about a search for something called a Loculus a box containing sacred relics. It was made in 2001 and is nearly the same story as TUQ. A young couple go in search of the Loculus it starts with the Knights Templar, The Grand Master, (J de M). They go on to search at Rennes le Chateau, then to the Tour Magdala where they find signs on the floor, Pentagons, alchemy and astroloy After solving all the signs they go to a greek island where they find the Loculus in a church. There is a lot more as well, it was classed as a horror film. I quite enjoyed it but it does not get a very good write up on the net. Its worth seeing if you get the chance. Foxglove
